

Ettington Parish Council

Report to Council

Date: 11 January 2017

13	Tree Work
----	-----------

1 Background

Three companies were asked to quote in respect of the required tree work by 24 August. When no responses were received the Clerk sent a reminder to the companies. This has resulted in one response with a quote of £15,000 + VAT.

At the meeting of 12 October 2016 the Council resolved to go to tender again.

Four companies were contacted of which one declined to tender and one failed to respond. The tender specification was sent to three companies (including the one which had originally quoted).

No new quotes have been received.

2 Action Required

To consider what the next steps should be.

3 Tree to the Rear of 50 Banbury Road

As recommended in the original survey, the ivy has now been cut and died back on this tree and it will be subject to re-surveyed.
