

Ettington Parish Council

Report to Council

Date: 8 February 2017

Item 18/Appendix 7	Section 106 Funds
--------------------	-------------------

1 Introduction

At the November 2016 meeting of the Parish Council it was agreed that the Clerk would write to partner organisation to inform them of comments made in the S106 question of the Affordable Housing Survey.

Letters were sent and the purpose of this report is to update Councillors on responses received.

2 Responses

The following responses have been received.

Topic	No of comments	Response
Bus Shelter	15	None received
A roundabout at the Fosseway/Banbury Road	3	Jeff Morris has asked me to respond to you concerning the provision of a roundabout at the above junction. The cost of a roundabout will be well over £1,000,000 and I am afraid this level of funding is unavailable. This junction has received a number of improvements over the past few years due to a significant number of accidents involving injury. However, within the last three years there has only been 1 injury accident, which is a massive improvement on previous records.
Yellow lines on the Banbury Road especially outside Nelson Close junction	3	This is the responsibility of Warwickshire County Council Highways and the comment will be passed to them.
Planting of shrubs/trees on bypass in Ettington.	1	In relation to the 'planting of trees on the Ettington Cutting', I would indeed like further information as the cutting is an extremely valuable ecological habitat, where trees are actively removed to retain grassland. Would it be possible to see a map of where and what trees are proposed?
Improved maintenance of Rogers Lane (widening of path	1	No response

and pruning of overhanging trees		
Cleaning road signage.	1	No response
Drop off/pick up area for school would be a great advantage to safety of children and reduce need for parking on pavements	1	No response
Lollipop man/lady	1	No response
New main building (hall) to the Primary School	1	No response
Improve access to the school grounds, but maintain its sports field.	1	No response

3 Action Required

To note and consider how the responses can be publicised and what, if any, further action is required.
