| 27.8.22 | Resident | State of footpath | <p>I read you hold the responsibility for footpaths in the village of Ettington.</p> <p>I wanted to alert you to the terrible state of the footpath running between Kents Lane and Old Warwick Road. It's the footpath running alongside the self build plots.</p> <p>The footpath hasn't been mowed or the boundary hedging hasn't been cut back for over a year and is difficult to pass through.</p> <p>Could you kindly look into this please. I know, from time I was on the Parish Council, this particular footpath was always well maintained. Perhaps it has gone unnoticed and isn't on your map.</p> | Footpaths officer informed. Action? |
